UCLA School of Nursing

APRN How to Complete Preceptor Evaluations of Students in eValue

04032024

REMINDERS

- Preceptors will receive notification email to complete evaluations by beginning of week 7 of the 10 week rotation

- Best practice is for preceptors to complete the evaluation WITH THE STUDENT to provide constructive feedback

- Preceptors please complete by week 9 so faculty have time to review and discuss with the student before grades are due

- Upon submission of evaluation, student will not have access to the evaluation until faculty reviews it

- Students will have access to completed evaluations in eValue by week 2 of the following quarter

Email that preceptors will receive notifying them to complete evaluation

Dear Preceptor Test,

This is a notification that you have been assigned to do surveys/evaluations for the activity N400 Test Practicum.

To access the evaluation directly, please click the link below:
https://www.e-value.net/login.cfm
Please DO NOT forward the link to others as the evaluation link is unique to you only.

CLICK unique link to complete evaluation of your student

Alternatively, current faculty and students can log in with their mednet credentials at the link below:
https://nursing.ucla.edu/evalue

For specific questions about evaluations related to clinical, please contact:
LAWANDA BOWLES-COSTELLO (LCostello@sonnet.ucla.edu)
CYNTHIA JAMES (CAJames@mednet.ucla.edu)

Reach out to both LaWanda & Cynthia if you have questions about preceptor evaluations

If you have any other questions about your evaluations, login name and/or password resets please contact:
BRENDA YEUNG (BYeung@sonnet.ucla.edu)

The information you provide through surveys/evaluations is considered highly valuable to the program. Your feedback is greatly appreciated.

Thank you!

Sincerely,

UCLA School of Nursing
Office of Academic Programs and Student Affairs
